Rebate Summary

Date Purchased	Date Installed	Efficiency Rating (circle one)	Water Factor	Brand	Model #
		CEE Tier 1, 2, 3			

Qualifications

Washing machines purchased prior to March 7, 2015 must be a high efficiency CEE tier 3 model. Machines purchased after March 7 must be a CEE tier 1, 2, or 3 model. Visit www.library.cee1.org/content/qualifying-product-lists-residential-clothes-washers for a list of qualifying models.
Completed application to include a legible copy of sales receipt that clearly identifies store name, product, make and model, purchase price and date.
Applications must be postmarked no later than 90 days after date of purchase.

Customer Acceptance of Terms

I certify that I have purchased and installed the indicated water saving product for use in my home at the installation address stated above. I agree to verification by the City of Roseville of both sales receipts and product installation. I have read and understand the program requirements set forth in the program terms and conditions and attest that all given information is correct.

Rebate Instructions

1. Complete application
2. Attach proof of purchase receipt
3. Mail rebate application to:
   City of Roseville
   Water Efficiency Division
   2005 Hilltop Circle
   Roseville, CA 95747

Program Terms and Conditions

Duration

I understand the program term is July 1, 2014 through June 30, 2015 or sooner if allocated funding is depleted. During this program term, qualifying new products installed during this time frame are eligible for a rebate. Program offerings and rebate amounts may change during the program term. The program may be modified or terminated without prior notice.

To Qualify

1. Applicant must receive water from the City of Roseville and have a utility account in good standing.
2. Applicant must purchase and install a new High Efficiency CEE Tier 3 Clothes Washer if purchased prior to March 7, 2015. If purchased after March 7, 2015, applicant must purchase and install a new High Efficiency CEE Tier 1, 2, or 3 Clothes Washer as determined by the Consortium for Energy Efficiency (www.library.cee1.org/content/qualifying-product-lists-residential-clothes-washers)
3. Each new High Efficiency Clothes Washer must replace an existing high water use clothes washer.
4. Applicant will allow, if requested, a representative from the City of Roseville access to my property to verify the installed washing machine before a rebate is paid. I understand a rebate will not be paid if I refuse to participate in any required verification.
5. Machines must be purchased after July 1, 2014 to be eligible for a rebate.
6. All applications must be postmarked no later than 90 days after date of purchase.

Please note:

1. A maximum of one rebate per household within a six year period will be granted.
2. The City of Roseville reserves the right to verify both the efficiency and installation of equipment before rebate is issued.
3. The City of Roseville is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect rebate applications.
4. The City of Roseville disclaims any and all liability, loss or damage that may arise as a result of the applicant's participation in this program.
5. The City of Roseville is not responsible for any taxes that may be imposed as a result of your receipt of any financial rebates from the City.
6. Applicant agrees to pay any and all sales tax, installation parts, labor and building costs associated with the High Efficiency Washing Machine installation.
7. Rebates may not exceed the cost of the water efficient equipment.
8. For more program information, to verify eligibility, or to see qualifying product lists, please contact 916-774-5761.
