PROJECT TITLE: Kaiser Permanente Roseville Medical Center Inpatient Bed Tower (File #PL22-0038)

PROJECT APPROVAL DATE: November 10, 2022

STATE CLEARINGHOUSE NUMBER: 2022020590

CONTACT PERSON: Kinarik Shallow, Associate Planner, (916) 746-1309

APPLICANT; OWNER: Belinda Young, HOK, Inc. (Applicant); Kaiser Permanente (Owner)

PROJECT LOCATION: 1600 Eureka Road, Roseville, Placer County, CA (APN 048-012-001-000)

SUMMARY PROJECT DESCRIPTION: The proposed Project would increase the size and capacity of the previously approved 2004 Kaiser Roseville Medical Center Expansion Project (2004 Expansion Project) on the existing Kaiser Permanente Roseville Medical Center Campus (Medical Center Campus or Campus). The 2004 Expansion Project evaluated a five-story, 155,000 square-foot Surgery and Intensive Care Unit Facility and a three-level, approximately 400-space parking garage within the Campus; however, these buildings have not been constructed. The proposed Project revises the 2004 Expansion Project to allow for an approximately 278,000 square foot, six-story Inpatient Tower building on the site of the prior approved Surgery and Intensive Care Unit Facility, expansion of the Emergency Department (which is part of the Main Hospital Building) to add 36 new treatment bays (change of use with no additional square footage); a new four-level parking garage with rooftop parking to accommodate approximately 800 stalls located on the site of the prior approved parking garage; relocation of the northwest corner loop road; a new main hospital entrance and drop off area; a new generator yard; and internal upgrades to the existing central utility plant.

The project entitlements include a Major Project Permit Stage 1 Modification and Stage 2; an Amendment to the Development Agreement by and between the City of Roseville and Kaiser Foundation Hospitals to address the increased use intensity and vested entitlements; and a Specific Plan Amendment (text only) to the Northeast Roseville Specific Plan to modify the minimum setback requirements.
