SPECIAL EVENT PERMIT APPLICATION**

INSTRUCTIONS

Special Event Permit Applications must be received no later than 60 days prior to the event start date and may be submitted as early as twelve months prior to the event start date.

PERMIT APPLICATION PROCESS

Once the Special Event Permit Application is submitted the special events coordinator will review the application. This takes approximately 2 weeks. Prior to approving the application a non-refundable application fee and refundable deposit are due.

Note: Do not assume that all aspects of the event will be approved; you may be asked to make some changes to your event based on the availability of services or other circumstances. Therefore, **you are encouraged not to advertise your event until approval from the city has been received.*

You will be notified if your event requires any additional information, clarifications, permits, insurance, etc. Delays in providing additional information could delay the ability to approve a permit in a timely manner thus resulting in denial of the application. A fees memo outlining all required fees will be sent for your review.

If street closures are requested, a Street Closure Agreement will be sent to the applicant for signatures.

From time of application submittal to final approval and issuance of a permit the process takes approximately 4-6 weeks.
