

EXPLORE IT!

Trash Sorting Game

Subject: Reducing Waste

Cut out the shapes on this page that contain pictures of things you might throw away. Choose where each piece of trash belongs by putting each picture in the appropriate area on the next page: reuse, recycle, compost or trash. You can color the pictures too! Challenge: Make your own game board and try with REAL trash.

Materials List

1. This activity sheet
2. Scissors and crayons

Grade: Kindergarten

Time: 15 - 20 minutes

Vocabulary: reuse, compost, recycle, trash, garbage, choice

NGSS: K-ESS2-2. Construct an argument with evidence to support a claim. Plants and animals (including humans) can change the environment to meet their needs.

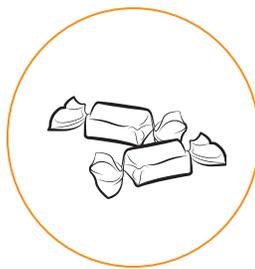

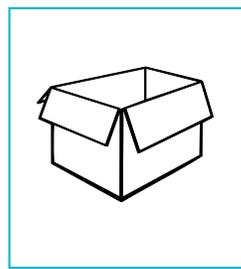

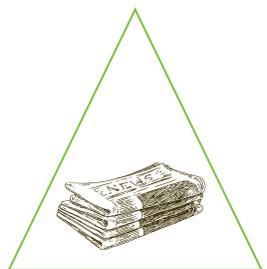

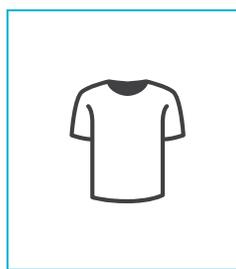

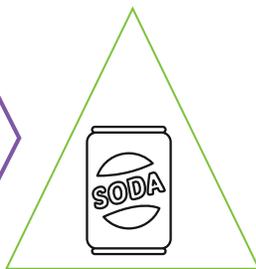

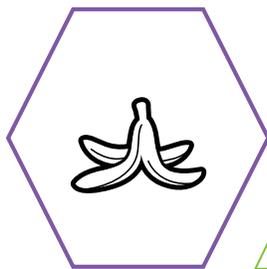

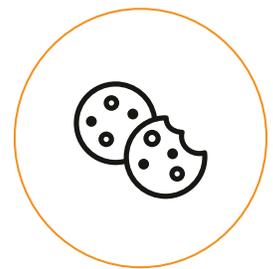

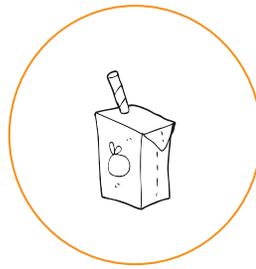

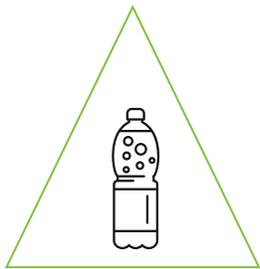

Table Talk

1. What did you throw away today?
2. Are there items you could reduce (not buy in the first place) to make less trash?
