RE: RFQ 2082 Deadfront Padmount Switchgear

 Q: I'm having trouble finding the approved manufacturers on your bid, Can you please tell me who is approved so I can request pricing? A: At this time there are two approved vendors, Cooper Power Systems and Trayer Engineering Corporation
Q: I could not find anywhere in the documents that stated annual estimated usage/quantity for each item. Sir, can you please provide me with an estimated usage for each item? A: The approximate order for the next two years: DF9B - 10 DF10 - 5 DF11B - 9 The quantity of switches ordered will be dependent on the pace of new
development. If you have any questions, please call Peter Brevik (916) 774-5724.
