The Vault Nightclub to Open!

The Vault Nightclub, Historic Old Town Roseville's newest entertainment venue, is scheduled to open on Friday, October 7. Elite Entertainment

Group, Robert Auger and Wesley Metcalf, have transformed the wonderful Bank of Italy building on the corner of Lincoln and Church Streets. Once opened, this destination will offer: an upper and lower level, each with a full bar; a new dance floor, supported by state-of-the-art lighting and sound; and multiple VIP seating areas.

Locomotive 2252 Donation

David Houston, owner of Daylight Sales in McClellan, CA, recently donated an authentic steam locomotive headlight for placement on the Locomotive 2252 display in Downtown Roseville. The vintage headlight, which was formally given to the Roseville Historical Society, will replace the 2252's original. The headlight will be installed by city staff later this month. Look for the new addition at the current locomotive display site, near the intersection of Vernon and Atlantic Streets in Downtown Roseville.
