

Community Priorities Advisory Committee Recruitment

Revised- May 19, 2017 ** Please note recruitment deadline is being extended******

The City of Roseville is recruiting members of the community to serve on the Community Priorities Advisory Committee. The recruitment period runs from April 20, 2017 to May 26, 2017. Recruitment applications must be received by the City Clerk's Office by 3:00 PM on Friday, May 26, 2017.

The City Council initiated the Community Priorities Advisory Committee as one of several comprehensive activities to ensure direct and meaningful community participation in reviewing levels of City-provided services in light of ongoing fiscal challenges. The committee process is intended to bring together Roseville residents and businesses to assess specific essential City services and programs, and provide policy level recommendations to prioritize what we value as a community.

The Committee will:

- Develop a common understanding of municipal finances and budget to provide context for recommendations about funding and levels of service
- Review aspects of key general-funded City operations, prioritizing community expectations for the levels of service provided by five general-funded City departments: Police; Fire; Parks, Recreation & Libraries; Public Works; and Development Services;
- Review fiscal strategies and constraints associated with continued delivery of services at current or increased levels.
- Work in good faith to achieve consensus in developing options and recommendations

The Committee's work, in addition to greater public engagement and opinion research, will inform decisions the City Council and community will make about the programs and levels of service the City should provide and how to fund it, to maintain fiscal stability and ensure the highest quality of life that the City can afford for its residents and businesses.
