Information and Procedures Use of Nebulizers/Inhalers

- Nonessential medications will not be permitted during program hours. Any medication taken during program hours must have parent/legal guardian and physician authorization. The child's physician's name, address and telephone number shall be provided.
- 2. Use of medication of any kind is not permitted and may not be accepted by City staff unless the appropriate authorization form is completed and signed.
- A physician may use office stationery or prescription pad in lieu of completing Part II provided the required information is legible. Information necessary includes: child's name, date of order, duration of order, diagnosis, medication name, dosage, interval of repeating dosage, symptoms, potential side effects and expected response, instructions for proper storing of the medication, identification of other medications the child is taking, the physician's signature and the date.
- 4. The first dosage of any medication must be taken on a date prior to any use while attending a City of Roseville program.
- 5. The parent/legal guardian is responsible for submitting a new form each time there is a change in dosage or a change in time which medication is to be administered.
- 6. All medications shall be kept in a locked area only accessible to authorized staff unless participants have a signed parental release to carry medication.
- 7. A physician may certify that a child has adequate information and training to be permitted to carry and use the inhaler him/herself.
- 8. The parent/legal guardian must pick up unused portions of medication immediately after the effective date expires or at the end of the child's enrollment. Medications not claimed will be destroyed.
- 9. The City of Roseville Parks and Recreation Department and its staff does not assume responsibility for unauthorized medication taken independently by the child.
- 10. Under no circumstances may the City of Roseville and its staff permit, administer or facilitate the taking of medication outside the procedures outlined here.
