

ROSEVILLE ELECTRIC **BRIGHTENS YOUR HOLIDAYS**

Roseville Electric, your community-owned utility, finds ways to help its customers.

Beginning Tuesday, Nov. 5, Roseville Electric is giving away energy efficient holiday lights. Customers can exchange old incandescent holiday lights for ENERGY STAR® LEDs - at **no** cost!

Bring up to three strands of your old incandescent holiday lights and your recent utility bill to the Roseville Utility Exploration Center, 1501 Pleasant Grove Blvd., in Mahany Park. The Exploration Center is open 10 a.m. - 5 p.m., Tuesday – Saturday.
