Free Emergency Ride Home

You'll never have to worry about being stranded without a car.

The Emergency Ride Home program provides a FREE and reliable emergency ride home when you use an alternative mode of transportation to get to work like carpooling/vanpooling, biking, walking, or riding the bus or train.

Emergencies which qualify for the program include:

- Personal or family emergency
- Illness
- Carpool/Vanpool partners have an emergency
- Transit, carpool/vanpool breakdown or theft of your bicycle
- Unscheduled overtime at work

To be eligible for the free Emergency Ride Home program, you must be registered with the Commuter Club at www.sacregioncommuterclub.org.

For more information, see your Employee Transportation Coordinator or contact saaron@pctpa.net.
