

Attachment A

Irrigation Improvement Map

Please use the top box to sketch your current irrigation system. Include all irrigation stations in the drawing and the types of plants irrigated by each station. Use the work plan area below to draw in the improvements that will be made to your current irrigation system.

Plant Types

T=Turf
G/C=Ground cover
A/G= Annuals/Garden

S=Shrubs
TR=Trees

Current Irrigation Design:

Proposed Irrigation Plan:

(Use separate piece of paper if needed)

Please indicate your existing and proposed improvements above. This form must accompany your application. Applications submitted without the Irrigation Improvement Map & Worksheet will not be accepted.
