[a] Third party plan review, when available, shall be assessed and paid at time of permit application. The fee for this service is the hourly or flat rate charged by the consulting firm performing the review. This fee is in addition to the permit Administration Fees identified in the "Plan Review (Including Inspection Service) Plan Review Conducted by City Approved Consultant" of this fee schedule for the additional resources required to facilitate the process.

[b] Fee includes Hazardous Waste Generator ≤ 55 gal.

General Information

- * All fees or charges shall be calculated at one (1) hour minimum unless otherwise specified.
- * All fees for specified services shall be calculated by the Fire Department.
- * When required, no permit or approval shall be issued until facility or process is brought into compliance with applicable codes and the required service fee is paid in full.
- * When a requester fails to cancel a requested inspection prior to the scheduled time of inspection, the standard inspection fee shall be charged, with a one hour minimum fee.
