

STREET SWEEPER OPERATOR

DEFINITION

To operate a heavy motor broom and vacuum street sweeper on an assigned route; and to maintain clean City streets, parking lots, gutters, islands, and alleyways.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Street Maintenance Supervisor; and receives technical and functional supervision from a Senior Street Maintenance Worker.

EXAMPLES OF ESSENTIAL DUTIES - Duties may include, but are not limited to, the following:

Operate heavy vacuum, broom type motor-driven street sweepers; clean streets, parking lots, gutters, islands, and alleyways on assigned routes; prevent damage to sweeper, street structures, automobiles or pedestrians.

Inspect equipment during operation and make minor operating adjustments; change or assist in changing and rebuilding pickup and gutter brooms, main brooms and center boards.

Report deceased animals found on route.

Answer questions and concerns and provide information to the public as necessary.

Maintain vehicle and equipment operations by daily checking of fuel, oil, grease, radiator, water tank, air cleaner and tires; check sweeper for even wear of brooms.

Clean and wash equipment at end of each shift.

Maintain a variety of logs and reports including miles swept per day.

May operate other equipment such as hoist truck, dump truck, front loader, boom truck, flail or rotary type mower, patch truck and other equipment while assisting street repair and maintenance operations.

Build and maintain positive working relationships with co-workers, other City employees and the public using principles of good customer service.

Perform related duties as assigned.

MINIMUM QUALIFICATIONS
