

## **PUBLIC HEARING NOTICE**

**NOTICE** is hereby given that on **June 27, 2013**, at 7:00 p.m., or as soon thereafter as the matter may be heard, the **Planning Commission** of the City of Roseville will hold a Public Hearing at the **City Council Chambers located at 311 Vernon Street, Roseville, CA** for the purpose of considering an application for a **REZONE, GENERAL PLAN AMENDMENT, SPECIFIC PLAN AMENDMENT, TENTATIVE MAPS & DEVELOPMENT AGREEMENT - WESTPARK PHASE 4 SPECIFIC PLAN AMENDMENT- 2300 WESTBROOK BOULEVARD – FILE#S 2013PL-008, GPA-000069, SPA-000050, RZ-000064, DA-000054 SUB-000172 & SUB-000176.**

**Nature of request:** The applicant requests approval to amend the Westpark Phase 4 area of the West Roseville Specific Plan (WRSP) to make several adjustments to land uses including unit allocation. Overall density would be reduced by increasing low density residential units and reducing the amount of high-density and light industrial uses. The school site would be moved to the west, and will be slightly increased and overall park uses will be reduced by approximately 6 acres, with the reduction in density. The project would accommodate 894 low density residential (LDR) units, and 170 high density (HDR) units (original approvals included 780 LDR and 252 HDR units). Several City-owned parcels will be rezoned from Light Industrial (LI) and Public/Quasi Public (P/QP) to Community Commercial (CC) and Park and Recreation (P). In addition, roadway alignments including Westbrook Boulevard will be slightly realigned. A deed restriction would be amended to allow residential uses within a portion of the Pleasant Grove Wastewater Treatment Plant 1,000-foot non-residential buffer. The revised land use plan will not change the footprint of the WRSP, but would redistribute certain land uses (LDR and HDR, CC, P/R, P/Q-P, and Right-of-way) within the project area.
