

## **LIGHTING THE WAY TO SAVINGS**

Roseville Electric, your community owned electric utility, is giving customers an opportunity to try the newest LED lighting technology for **FREE!** 

**Beginning May 15, 2013**, Roseville Electric customers can exchange an old, incandescent light bulb for a new, more efficient LED bulb - a \$27 value! Supplies are limited, so hurry down to get your new bulb while supplies last!

Bring your incandescent bulb to the Roseville Utility Exploration Center, 1501 Pleasant Grove Blvd., in Mahany Park. The Utility Exploration Center is open 10 a.m. - 5 p.m., Tuesday - Saturday.

CFL (compact fluorescent light) bulbs and candelabras are not eligible for exchange and <u>will not be accepted</u>.

## **2013 LED LIGHT BULB EXCHANGE**

Complete this LED Exchange card and receive a FREE energy efficient LED bulb when you turn in an incandescent bulb. Limit 1 LED bulb per household. This offer is available to Roseville residents with active Roseville Electric utility accounts.
