Sexting, Cyber-Bullying and Internet Safety

Roseville Police Department

In conjunction with the Roseville Joint Union High School District, Eureka School District, Dry Creek Joint Elementary School District, Placer County District Attorney's Office and the Placer County Probation Department, the Roseville Police Department presents an ongoing education and awareness campaign.

This awareness campaign is designed for middle school through high school PARENTS, and will cover such topics as sexting, cyber-bullying, how to recognize them, the legality of your child's actions and inactions, and what the police and school officials can do for the parent and the child. Internet safety will also be covered.

Due to the smaller venues, we ask that you attend the presentation for the school that your child attends. However, you may attend any presentation for any school.

Dates of Presentations

April 3, 2013 6:30 p.m. Buljan Middle School, multi-media room

April 9, 2013 6:30 p.m. Antelope High School

**If you would like to schedule a presentation for your school or organization (parent-teacher), please contact Det. Brent Northrup from Roseville PD— (916)746-1028, bnorthrup@roseville.ca.us .
